

Summer School 2019 for the Class of 2023

Ursuline's summer program fosters academic and personal growth through diverse courses and enrichment possibilities. With a variety of course selections, students are offered the opportunity to explore their personal interests, unique abilities, and talents.

Ursuline Academy's summer learning opportunities for incoming freshmen students include:

- Summer Credit Courses – traditional ½ credit courses in an accelerated format
- Summer Freshman Courses – non-credit courses that prepare new students for a successful freshman year
- Summer Workshops – Introduction or refresher on specific topics to help students succeed

Summer Credit Courses *online course requests open April 25 – 30, 2019*

2201S Introduction to Speech: (Freshman-Sophomore) This course is designed to allow the student greater ease and clarity in expressing her thoughts and feelings in public. Primary emphasis in the class is on delivery technique and critical thought process with secondary emphasis on speech writing. The student will prepare and deliver four speeches as well as additional impromptu speeches and group presentations.

Note: This graduation requirement is separate from other Fine Arts requirements and must be completed prior to junior year.

6/7-6/27; 9:00 a.m.-12:00 p.m. or 12:45 p.m.-3:45 p.m. **\$475** ½ credit

8132S Wellness: (Freshman-Sophomore) This course guides students throughout the many dimensions of Wellness (spiritual, physical, mental, emotional, occupational, and social) and provides an atmosphere to discuss and learn about how to live a healthy and stress-free life. Students will develop skills needed to maintain an active lifestyle, learn the importance of nutrition, and discover how to find a healthy balance of all facets of Wellness. Students will also engage in building essential skills needed to maintain optimal health while developing ways to promote healthy lifestyles in our diverse society. In addition, students will complete a course in Heartsaver CPR, Embody Love, Managing Stress, Healthy Behaviors, Nutrition, and Fitness.

6/7-6/27; 9:00 a.m.-12:00 p.m. or 12:45 p.m.-3:45 p.m. **\$475** ½ credit

2538S Studio Art I: Drawing and Painting Foundations: (Freshman-Senior) In this course students build and refine painting and drawing skills while developing an understanding of the Elements of Art: line, shape, color, value, form, texture, and space, as the fundamental building blocks for creating a work of art. Students will focus on applying the Elements of Art in a wide variety of artistic challenges by engaging in sketchbook activities and creating works of art. Creative art exercises will support a working knowledge of each art element and allow students to explore a variety of art mediums including charcoal, watercolor, acrylic paint, and collage. Students will use art vocabulary as they learn to describe, analyze, and interpret works of art. This hands-on art class is designed to benefit the beginning art student as well as challenge the advanced student. Completion of this class will prepare students by building their art portfolio, refining technical skills and developing the art vocabulary necessary to proceed to Studio Art II: Drawing.

6/7-6/27; 12:45 p.m.-3:45 p.m. **\$475** ½ credit

Summer Freshman Courses *online course requests open April 25 – 30, 2019*

Frosh Start English: (Freshman) Frosh Start English is designed to assist incoming freshmen in making a successful transition to the Freshman English course.

6/7-6/27; 9:30 a.m.-12:00 p.m. or 12:45 p.m.-3:15 p.m. **\$350** Non-credit

Frosh Start Math: (Freshman) Frosh Start Math is designed to assist incoming freshmen in making a successful transition to the Freshman math course, Algebra I/Geometry Year 1. The TI-Nspire CX CAS handheld calculator is required and will be used extensively in all math and science courses throughout the school year.

6/7-6/27; 9:30 a.m.-12:00 p.m. or 12:45 p.m.-3:15 p.m. **\$350** Non-credit

Algebra Advance: (Freshman) This course focuses on strengthening concepts from Algebra I that may not have been fully mastered. Upon successful completion of this course and with teacher recommendation, students will be enrolled in Geometry Honors. Students will be contacted directly by the math department if they have met the criteria to take this course. The TI-Nspire CX CAS handheld calculator is required and will be used extensively in all math and science courses throughout the school year.

6/7-6/27; 9:30 a.m.-12:00 p.m.

\$350 *Non-credit*

Geometry Basics: (Freshman) This course provides students with logic and structure through Triangle Congruence Theorems & Proof and Deductive & Inductive Reasoning. Angle and Parallel line relationships are investigated. Area & Perimeter are reviewed, and the Pythagorean theorem, distance formula, and midpoint formula are introduced. Upon successful completion of this course, and with teacher recommendation, students will be enrolled in Algebra I/Geometry Year 2 Honors. Students will be contacted directly by the department chair if they have met the criteria to take this course. The TI-Nspire CX CAS calculator is required.

6/7-6/27; 9:30 a.m.-12:00 p.m.

\$350 *Non-credit*

Summer Workshops

Keep your mind fresh and get ahead this summer with Summer Workshops. These short, non-credit classes offered in June and August equip students with tools for success in the coming academic year.

June *online course requests open April 25 – May 10, 2019*

Catholicism 101: (Freshman and Transfer Students) This workshop is recommended for students who are of diverse faith formations or who are attending a Catholic school for the first time. The goal is to welcome students and ease this transition by familiarizing them with the basic tenets of the Christian Faith as a necessary foundation for their increased understanding, comfort, and success in Theology courses.

6/10-6/14; 12:45 p.m.-3:15 p.m.

\$125 *Non-credit*

August *online course requests open April 25 – June 10, 2019*

Study Skills: (Freshman) This workshop teaches classroom learning and study strategies tailored for the specific courses students will encounter their Freshman year. In addition, students will learn strategies to improve time management and organizational skills that can be used throughout high school and beyond.

8/5-8/8; 12:30 p.m.-1:30 p.m.

\$50 *Non-credit*

World Language Refreshers: (Freshman - Senior) This multi-level workshop will use music, film, games, conversation, and fun collaborative activities to immerse students in the language they study. The goal is to refresh skills and boost confidence for their upcoming World Languages courses.

Prerequisite: One or more years of middle school or high school study in the language

8/6-8/8; 9:30 a.m.-12:00 p.m.

\$75 *Non-credit*

Technology workshops: (Freshmen) Specific topics and schedules to be announced.

8/5-8/9;

no cost *Non-credit*
